*Greetings in the name of the Lord!*

*It is our privilege to send this letter of recommendation for  
No Turning Back Ministries.*

*No Turning Back's Ministry mandate is reaching the lost  
through the avenue of music. Through song and the Word of  
God, their desire is to work with local Pastors to reach their  
communities for Christ.*

*As the Holy Spirit worked throughout each service they were  
with us, hearts were touched, lives changed and the Kingdom  
of God was added to. We believe they will be a blessing to  
you and your congregation,*

*We encourage all churches to be a part of this ministry.  
Thank you for your time and it is our prayers that you will  
be blessed as we were.*

*Sincerely,*

*Rev. Marilynn Tucker, Pastor  
Calvary Temple Worship Center*
